

Appraisal Information Sheet & Credit Card Authorization Form

Property Address: _____

Part of the loan process involves an independent valuation of the property by a licensed appraiser. Depending upon the type of appraisal that is required by the lender, the appraiser will spend 30 – 60 minutes measuring the home, verifying the number of bedrooms, baths, fireplaces and parking spaces and noting any special features that can impact a home's value. If you wish, please use this area to share with the appraiser anything you feel may be significant in determining the home's market value:

For your convenience, the appraiser accepts VISA, MasterCard, American Express or the Discover Card. If you would like to pay for the appraisal by credit card, please provide the following information:
